Office of the President,
Kolar Gold Fields Sanitary Board,
Dated Champion Reefs, the ~~15th Dec. 1911~~.

From,

C. Srikantesvara Aiyar, Esquire, B.A., B.L.,
President, Sanitary Board, Kolar Gold Fields.

To,

C. S. Balasundaram Iyer, Esquire., B.A.,
Offg. Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

Adverting to your office docket No. 1055/San 22-11-2 dated the 1st August 1911, forwarding copy of ~~the~~ letter No. 318 dated the 15th July 1911, from the Sanitary Commissioner, anent the desirability of at least a moiety of the expenditure in connection with plague preventive measures on the Kolar Gold Fields being charged to the Sanitary Board Funds, I have the honor to state that the matter was placed before the Board for consideration at their last meeting held on the 17th ultim when the Board unanimously expressed their inability to bear a moiety of the charges in question.

2. The Sanitary Board incur a very large expenditure on the sanitation of the Board's area and in addition to the large undertakings such as the Robertsonpet Drainage Scheme, Water Supply to Robertsonpet, and Electric Lighting to the Kolar Gold Fields Main Road, have recently contributed a moiet to the establishment of a Maternity and Hospital on the Kolar Gold Fields, in addition to one third of the initial expenditure and of the recurring charges, besides bearing the charges of the Health Officer and his establishment.

3. With such heavy strain on their resources, the Board are still willing to gladly undertake to bear all dietary and

other incidental charges on account of the Epidemic Diseases Hospital as hitherto, along with the ordinary recurring expenditure of the Health Office, but are of opinion that they cannot with their already depleted and decreasing finances, bear further burden on this account, in view of the ever increasing responsibilities of the Board.

4. Copy of the resolution of the Board, together with statements showing the expenditure incurred on account of the Epidemic ~~Hospital~~ Diseases Hospital for the past five years from the Sanitary Board and State Funds are herein enclosed for information.

I have the honor to be,

Sir,

Your most obedient servant,

President, Sanitary Board,

Kolar Gold Fields.

8. Read docket No. 1055/San. 22-11-2, dated the 1st August 1911, from the Offg. Secretary to the Government of Mysore, forwarding, for the consideration of the Sanitary Board, letter No. 31[illegible] dated the 15th July 1911, from the Sanitary Commissioner suggesting the desirability of a moiety of the expenditure in connection with plague preventive measures on the Kolar Gold Fields being debited to the Board. Also read docket No. 340-42 dated the 17th July 1911, from the Sanitary Commissioner to the Deputy Commissioner Kolar District, inviting his opinion as to why the temporary Plague Establishment should not be dispensed with, and re-entertained whenever necessary, for specified periods with the previous sanction of Government.

Resolved that as there is now an epidemic of plague in some of the villages within the Board's area, the staff cannot be dispensed with immediately, but some portion of the establishment will be done away with, as soon as ~~the~~ circumstances render it feasible, and that Government be requested to accord general sanction empowering the Board to re-entertain the requisite staff whenever necessary; and as regards the charges the Board regret their inability to bear a moiety of the charges incurred on plague preventive measures in general.
